## INTEROFFICE CORRESPONDENCE

DATE March 3, 1992  
TO J.D.Roberts, WR&S, T893B, X6129  
FROM D.R.Ferrier, Waste Operations, Bldg. 750, X6456  
SUBJECT Design Memo for Processing of Pondsludge SP/DRF-045-92

Subject memo is enclosed for your review. Also, I have enclosed a point paper by Leon Collins which addresses some of the operational considerations in moving pondsludge into the cementation process.

Please review both pieces of the enclosed material and I would like to sit down and discuss these both with you late this week or no later than next Tuesday, March 10, 1992.
